RESPONSE

Assistant Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

October 28, 2004

Sir:

Responsive to the Office Action dated September 28, 2004, the following election and remarks are respectfully submitted in connection with the above-identified application.

REMARKS

Claims 1-19 are now present in this application.

The Examiner has issued an Election of Species Requirement between the following species;

Species 1: a method of forming a pi-type bus electrode; and

Species 2: a method for improving adhesion.
